2. **BIRDS** – This may be a photo of a single bird, group of birds or a full flock. Flying or stationary.
3. **MOBILE PHONE PIC OF A PERSON OR PEOPLE** - It is imperative that this photo is taken with a mobile phone or tablet. It also must show people. It may be a portrait of one person, a candid shot of people in a social situation or a group of people at an event e.g. people at the markets or concert etc. These pictures may be straight from the phone unedited or you may enhance them using a editing app. You may be creative and make it quite artistic if desired.
4. **COOROORA** - .The subject of this section is Mount Cooroora. It can be up close, in the distance, on top, with people or without. As long as we can tell that it is Mount Cooroora.
5. **ARCHITECTURE** – Show us those lines – straight or curved. Small buildings or tall. Entire structures or close up details.

Exhibiting Requirements:

Major changes to entry requirements

1. All prints **MUST** be submitted as just a **print only or with a flush backing mount e.g. cardboard or thick paper. NO BOARDERS!!** If a mount is used, there must be none sticking out from the sides of the photo.
2. All entries will be hung with sticky Velcro tabs on the back (we supply & affix for you).
3. All photographs to be approx. A4 size e.g. 8x12", 8x10" depending on your camera's ratio. You can crop image to different proportions for overall effect.
4. Name of exhibitor should **NOT** appear on front.
5. Exhibitors name, contact number, photo title, class & division are to be written on back of the entered mount. It is advised to write these details on another piece of paper or sticker and attach to back to avoid having the imprint coming through to the surface if entering print only.

7. **LIMIT OF 6 ENTRIES PER CATEGORY PER PERSON.**
